民生大聯盟發言人章彤輝博士指出，「我以前提過，疫苗接種和免隔離通關是目前緩解民困的關鍵，也是一對互為因果的循環因素。商界目前已為推動疫苗接種提供了很多誘因，而政府也在謹慎地調整通關條件，市民樂見其成。市民現時需要謹慎應對變種病毒，而政府就要小心管制來自高危地區的人士。現在抗疫已經到了曙光初現的時刻，無論政府、業界還是市民大眾，都需要以大局為重，汲取教訓和經驗，以免千里長堤，潰於蟻穴。老實說，香港已經沒法再承受多一次疫情打擊了。」

Dr Tung-fai Cheung, Spokesman of Alliance of Revitalizing Economy and Livelihood, observed, “As I said before, vaccination coverage and crossing border quarantine waiver are the two key issues of relieving people’s livelihood, and they are like chicken and egg. The business sector has already provided a lot of incentives for vaccination, while the government fine-tunes the quarantine requirements of cross-border travelling, these are what Hong Kong peoples want to see. The public now needs to be very careful about the mutant virus, while the government needs to carefully regulate the inflow of people from high-risk areas. We are just seeing the light of hope, so the government, the commercial sector and the people must learn the lessons together to keep our ship afloat. As a matter of fact, Hong Kong can no longer afford to be hit by another wave of pandemic.”
