民生大聯盟發言人章彤輝博士指出，「對於在香港營商和生活的人來說，限聚已經變成生活必然的一部份，也是可見未來的必需品。目前政府仍然堅持較為嚴格的限聚措施，民眾的反對聲音同樣是常態的一部份。受限聚令影響較大的行業和人群，依然服從法令。然而，他們也需要盡量利用邊緣空間為自己謀生存。」

Dr Tung-fai Cheung, Spokesman of Alliance of Revitalizing Economy and Livelihood, observed, “For peoples who live and run business in Hong Kong, group gathering ban (GGB) has become part of life, and will continue to be an essential feature in the foreseeable future. People’s persistent objection to GGB from the community will be a norm as long as our government insists the relatively restricted GGB. Those industries and groups more affected by GGB are still obedient, but they will have to make the very best use of the grey areas in order to survive.”
