限聚接受程度 Group Gathering Prohibition Acceptance Level

香港教育中心商會副主席任偉豪指出：「有消息不斷吹風，表示香港與內地通關需要互通健康碼才可成事。我認為往內地旅客才需要安裝內地的『健康碼』，來港人士則只需要安裝『安心出行』。這樣雙方既不用做數碼技術交接，而且也沒有必要所有人都重新適應新的系統。」

Vice Chairman of The Hong Kong Chamber of Education Centres Yam Wai Ho observed, “There are constant rumours that health codes exchange is needed for lifting Hong Kong and Mainland border control. I think that only those who go to Mainland China needs to install the mainland’s ‘health code’, while those coming to Hong Kong can just install the ‘LeaveHomeSafe’. There is no need for digital technology transfer between the two sides, and also no need for everyone to adapt to the new system.”
